

To amalgamate with ACC Waiheke was promised

- Continuation of communtiy board
- More efficient services, lower costs
- Planning would remain a function of a local committee

We were had. ACC has not delivered.

I want local control of planning and enhanced delegated powers for locally elected officials.

Name: *Sandra Adams*

Address: [REDACTED]

Signed: *[Signature]*

I wish to be heard in support of my submission at a hearing on Waiheke Island

Yes No

Date: *16/4/2008*
