

Pomp and chains, international travel and sister cities do not improve the quality of life in my community. I want more decisions made by my locally elected representatives.

Waiheke is a community not a super city. I do not feel well represented by Auckland City and would rather a Hauraki Gulf Council of locally elected representatives.

Name: Kath Alber
Address: [REDACTED]
Signed: Waiheke Is
K Alber

I wish to be heard in support of my submission at a hearing on Waiheke Island:
